A Typical Day At Camp

Morning: Troops gather for the morning flag ceremony and meal at the dining hall. After breakfast, sessions are scheduled for advancement or merit badge work. Adults may attend leader meetings, special training, and other activities.

Afternoon: Lunch is followed by scheduled "troop time" and free time. Activity areas are open including programs for older Scouts.

Evening: After the evening assembly and dinner, there is a chapel service. Afterward, troops can schedule to visit their favorite program area for troop time.

Campfire Programs: Campfires are held nightly, either camp-wide at the campfire bowl or in a troop site as a "friendship campfire". With good planning, good participation and creativity, campfires can be fun and inspirational. Take some ideas home and use them for your troop campfire programs year round.
